

## HOW TO BOOK "LIVING DNRS" (12 WEEK GROUP SUPPORT SESSIONS)

The LIVING DNRS program is specifically designed with your success in mind. To assist you in staying on track, the groups will meet for one hour every week for 12 weeks. Groups are limited to 24 participants.

During each group session, you will benefit from hearing how your fellow group members are progressing towards their health goals. No one understands your challenges or will celebrate your successes more than your DNRS peers! Come prepared to be inspired and to celebrate your triumphs along the way! You will also have the opportunity to ask questions and your Certified DNRS Facilitator, will provide appropriate guidance and information.

LIVING DNRS is provided to all those who have completed the DNRS instructional video program or have attended a DNRS interactive training seminar. Registration is on a first-come, first-serve basis. Your assigned group will meet regularly at the same time and day of the week. These meetings will take place via the ZOOM video conferencing platform.

We offer an online booking system to schedule LIVING DNRS sessions. Once you purchase your session, you will be sent a scheduling link via email which will give you access to our available start dates.

We have included instructions on how to navigate the system below.
